District Website Address	www.cambriansd.org			

2021-22 School Overview

Price Middle School embraces the whole child by celebrating diversity, instilling in them the joy of learning, and advancing critical thinking skills to succeed in the global community. Price Middle School promises and works towards the understanding that education is a shared responsibility of public schools, parents, community and the individual learners to create the educated person in the 21st century. Towards this goal, Price has put in extensive hours in structuring its academic program to ensure that the needs of all students are being met. Our collaborative efforts have resulted in the implementation of Common Core State Standards which encompasses ASD, IR and study strategies classes, ELD classes, accelerated math classes, and extensive elective choices. Student needs are further met with an emphasis on writing across the content areas and extended day opportunities available after school. The implementation of teacher teams assists in interdisciplinary instruction and connectivity. Educational excellence is celebrated and rewarded at all levels throughout the year, as evidenced by solid academic scores.

PBIS, the positive incentive program at Price, helps guide students to be responsible citizens who are able to meet future challenges and make sound choices behaviorally and academically. Teachers are continually developing as educators thought PD and learning opportunities resulting in increased student engagement, effective cooperative learning and the reinforcement of best practices. Brain-compatible research, literacy strategies, differentiated teaching practices, health & wellness and 21-century skills combine to give strength and provide depth to our child-centered philosophy. Price Middle School offers students the benefits of these programs and sees student success in high school and post-secondary options of fulfilling employment or admission to institutions of higher learning. Shared responsibility for student success ensures the development of our students into productive members of our community.

About this School

2020-21 Student Enrollment by Student Group

Student Group

A. Conditions of Learning

Percent of Total Enrollment

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

2019-20 Teacher Preparation and Placement					
2019-20					

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Visual and Performing Arts			
Science Laboratory Equipment (grades 9-12)			

School Facility Conditions and Planned Improvements

The degree to which school buildings and grounds provide adequate space for teaching and learning (classroom space, playground space, staff space).

The schools are situated on sites of 10 acres or more with classroom size at least 960 square feet in dimension. Each school has a separate staff room with adult restrooms and kitchenette facilities.

Suitability of the facility as a learning environment including, but not limited to, cleanliness; building condition; lighting, heating, and cooling systems; noise negation; condition of the school's fire alarm system; and the condition of the school's technology infrastructure.

Ida Price School is well maintained by the staff of custodians who are assigned to the school with 8 hr shifts. They provide cleanliness and support of the facility in many ways. They are supplemented by the district staff who regularly assist in building maintenance. They assure jobs are completed in a timely manner through an automated work order system.

Learning is enhanced by the improvement in lighting output at lower consumption rates. Fire alarm systems are maintained at strict state standards. Heating and cooling systems are being added or upgraded in the summer of 2003. Upgrades to Price's classrooms were done (ceiling and carpet) during the 2015-16 school year, and solar panels were installed in the PE area and parking lot.

Cambrian is extremely proud of the technology infrastructure. In 2002-03 there were 875 computers in operation. This translates to every 3.2 students have computers available in their classrooms. Computers are networked and linked to the Internet. There is a districtwide technology specialist available to the schools and additional support from teacher representatives at each site who assist fellow teachers with any problems or questions that might occur. The districtwide technology plan is currently being updated to future enhance its use in the learning process.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards		Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parent Involvement Committees allow parents and community members to volunteer their time according to their availability, abilities and matching the needs of our students and staff. Assisting in the classroom, working with students through Project Cornerstone, supporting the Chill room at lunch, supervising school events, helping teachers with outside tasks are a few of the ways in which a parent could help at the middle school. Home & School Club is the organization that assists in fundraising and supporting our school-wide programs. They also work to provide events that build community.

The School Site Council works collaboratively with staff, students and administration to assist in the development of the school plan, budget and monitor our progress. We work collaboratively with our parent committees to encourage parent involvement and partnerships and extend extra efforts to focus on our target students and families.

The ELAC is our parent group focusing on the needs of students learning English as a second language. This parent group supports Price in designing and monitoring supports for English Language Learners and provides opportunities for enrichment for both students and families.

Parent Nights provide opportunities for parents to learn about our curriculum, parenting skills and enjoy many student performances that we provide.

Other opportunities are available for community and parental involvement at the school; Price Fiesta, community center activities, band, athletics, and Home & School Club events.

2020-21 Chronic Absenteeism by Student Group

Students with Disabilities				

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions						
Expulsions						

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Cambrian is a small school district with a long history of a safe learning environment. Absenteeism is less than 4% a year; suspensions are less than 5% for the school. Students are aware of safety plans should emergencies arise and practice them regularly. Cambrian works with local agencies to provide a safe environment, which promotes learning.

The school safety plan is directed at 3 scenarios.

- 1. Disaster preparedness: e.g. weather, earthquake
- 2. Dangerous persons/activities on campus
- 3. How to handle an emergency situation

Mock preparedness drills are conducted throughout the school year. Teachers are provided an in-service/review of the safety plan before the beginning of the school year. Through consultation with the San Jose Police Department and the San Jose fire Department recommendations, Price is working with staff and students to develop updated responses to potential crisis situations. Our Home and School Club is also working to support the school with the updating of emergency supplies. Students are provided overviews of escape plans and evacuations in plans should an emergency arise throughout the school year. Parents are informed of mock drills through parent newsletters.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts

Percent of Budget for Administrative Salaries		

Professional Development

District-wide staff professional development are reflective of students, staff, school and district's goals and needs. Professional learning activities are designed to engage teachers in learning and implementing best practices that benefit student learning in alignment with district goals. These opportunities for professional learning include the following:

- CPM curriculum and instruction professional development
- HM curriculum and instruction professional development
- Visible Learning
- Step Up To Writing
- GLAD
- CCSS best practices with an emphasis on adolescent brain research
- Best practices for inclusion
- District/Side/Grade Level Collaboration Time establishing PLC protocols

Staff development is designed in our primary areas of focus: Common Core instruction, English Learner instruction, questioning for critical thinking, and mathematical understanding. Using CCSS assessments, professional development is aligned with district, school, and/or individual professional needs to ensure teachers have the adequate background, skills, and materials they need to support student learning. When new programs are introduced (e.g. math, science or language arts), specific time is dedicated to staff development to ensure the even and effective implementation of the program. The following are some examples of professional development opportunities that have taken place at Price Middle School over the last three years:

- After an analysis of student data, evaluation of programs and drilling down to subgroups and individual student data, we continue to work on professional development that offers strategies in differentiated instruction as well as:
- Ongoing support for improving school climate and creating an environment that is accepting and understanding of differences.
- Critical thinking and problem-solving strategies and 21-century skills
- Continued work on developing Professional Learning Community protocols
- Continued professional development in Illuminate (our data system) and other programs/areas of technology
- Ongoing math professional development
- Supporting department with the specific SMART goals as related to their department and student achievement.

Cambrian School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information				
District Name	Cambrian School District			
Phone Number	(408) 377-2103			
Superintendent	Kristi Schwiebert			
Email Address	schwiebertk@cambriansd.com			
District Website Address	www.cambriansd.org			

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White					
English Learners					
Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2020-21 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

2020-21 Local Assessment Test Results in ELA by Student Group

This table displays Local Assessment test results in ELA by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

*At or above the grade-level standard in the context of the local assessment administered.

2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

*At or above the grade-level standard in the context of the local assessment administered.
