## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Facility Conditions and Planned Improvements

Fammatre has a separate staff room with adult restrooms and kitchenette facilities. Common areas for students to enjoy at break and lunch have been improved.

Learning is enhanced by improved lighting output at lower consumption rates. Fire alarm systems are regularly maintained at strict state standards. In 2015, new perimeter fencing was installed. Solar arrays were added in 2015 to meet 85% of the schools electrical needs. The primary playground was upgraded in 2015 to enhance the play experience. In 2016, all classrooms had flat-screen televisions installed to replace the failing Smart Boards.

Additional work during the summer of 2006 was completed on the infrastructure, including electrical switchgear, and plumbing. All classrooms were renovated, and a new office was completed in January 2007. Current Measure R funding will provide for the replacement of existing gas lines, the upgrading & replacement of classroom HVAC units, replacement of some portable classrooms, and 1 MIL in district-wide technology expenditures. Work commences during the summer of 2022.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	66	63	69	67	47	46
<b>Mathematics</b> (grades 3-8 and 11)	65	62	60	61	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Home and school collaboration and connection are highly valued at our school. Goal-setting conferences (grades TK-5), Project Cornerstone, classroom volunteers, and event coordinators/supporters bring families into partnership with the school. The administration conducts informal meetings such as principal coffees as well as formal meetings such as English Language Advisory Committee, and School Site Council multiple times a year to keep the community informed and ask for feedback to improve our practice. The Home and School Club brings parents, students, and our community together for a variety of activities. These include events such as our Monster Boogie Bash, Family Dance, Starlight Auction, Family Code Night, STEAM Night, Walk-a-Thon, field trips, and dining-out events. Parents help in our classrooms as Arts Vista, Project Cornerstone docents, and the Makerspace. Parents volunteer to coordinate a number of after-school activities such as, Valley Sports, Brickz, and other after-school enrichment programs. Parents become involved during our Back To School and Open House evenings and we have occasional evening assemblies that bring the community together. Finally, events such as our music program provide additional times for the community to participate in our programs.

## 2023-24 School Safety Plan

Cambrian is a small school district with a long history of creating a safe learning environment. Absenteeism rose to 12.3% a year; suspensions are below 1% for the school. Students are aware of safety plans should emergencies arise and they complete practice drills often. Students and staff practice fire drills once a month, an earthquake drill twice a year as well as a lockdown drill once a year. In addition, the staff is trained and following all COVID-19 safety measures. Cambrian works with other agencies to provide a safe environment, which promotes learning. In addition, the school is proactive and responsive to medically sensitive issues, such as peanut allergies and students with diabetes. Our school district nurse trains staff on how to manage health situations. For more details, please see our Comprehensive School Safety Plan at <https://www.cambriansd.org/domain/651>. Fammatre's Comprehensive School Safety Plan is updated, presented at a public hearing, and approved by our Governing Board annually in the spring. The School Site Council reviewed the SSP and approved in on December 4, 2023.
