### **Parent and Guardian Observations**

The Cambrian Governing Board recognizes that parent/guardian involvement in the education of their children contributes greatly to student achievement and a positive school environment.

A parent or guardian has the right to observe instruction and other school activities that involve their child and may visit their child's classroom **upon written request by the parent or guardian. School officials shall arrange for the parental/guardian observation of the requested class, classes, or activities by that parent or guardian in a reasonable timeframe.** ~~after checking in with the school's administrative office.~~

~~These~~ In order to ensure the safety of pupils and school personnel and to prevent undue interference with instruction, ~~or harassment of school personnel,~~ classroom observations are to last for no more than thirty minutes in any one day **and no more than two observations per month.**

~~There may be circumstances in the classroom that necessitate the teacher changing the requested observation schedule.~~
