This list was created prior to the receipt of all official resolutions calling local elections, and, therefore, may not be fully inclusive of every available office.

Please ask your filing officer if you have any questions

PLEASE NOTE: Statement costs are estimated deposits only. Due to redistricting efforts voter registration totals have not yet been updated; consequently, this candidate guide will be updated later to reflect more accurate deposit totals. The Registrar of Voters office will determine if a candidate receives a refund or owes over the amount of the estimated cost, approximately 30-60 days following the election. Please inquire with an Election Specialist if you have questions.

Candidate Statement Fee Check

The Office of Registrar of Voters will shred the candidate statement fee check for contests that do not appear on the ballot due to insufficient filings. Candidates who prefer to retrieve their check instead may do so by notifying staff of their preference.

24-hour Sign Off Requirement

In 2018, the Registrar of Voters' Office began emailing copies of submitted candidate statements to each candidate as proof of how the statement will appear in the CVIG. Candidates are asked to confirm the accuracy of the statement within 24 hours of notification. Changes to the candidate statements, other than to conform to the filed version, are not allowed, however.
