Cancellation Policy: The school understands that cancellation or reduction of this contract is possible ONLY if the YMCA is able to arrange a replacement group generating comparable income. If a replacement group is arranged, then all but the non-refundable deposit will be refunded. If no arrangement is possible, the group understands it is obligated to meet the full minimum financial requirement of this contract.

Registration: All arrangements must be confirmed at least fourteen days prior to your group's arrival.

1. Applicant agrees to provide a Group Director (GD) to serve as your main contact person during the entire stay of your group.
2. The GD will work directly with YMCA personnel to insure a smooth operation for your group and provide a means of communication.
3. To comply with State Law and Insurance Regulations, the GD is requested to provide the YMCA with complete registration lists of adults and children attending camp.
4. It is understood that all youth under the age of 18 who are attending camp without the direct supervision of their parent or legal guardian need parental medical releases in order to attend. It is the responsibility of the group to supervise and manage the behavior of the participants at all times by an adult. If this person is different from the group contact person on the contract, the group must inform the program director upon arrival.
5. Applicant agrees to provide 1 school employee per 30 students to attend the entire program. This school employee must be physically and emotionally able to participate in all activities. All adults dealing with supervision of children should minimize any situations where personnel are in a one-on-one situation/interaction when out of sight of others.
6. The GD must be prepared to pay for medical services rendered at the local hospital, IN CASH, as the hospital is instructed not to bill the YMCA. The group will also be required to provide at least one vehicle for emergency transport.
7. **Camp Clean Up:** We take great pride in keeping our camp and its environment clean. Groups are required to leave all utilized camp areas neat and tidy prior to departure. Brooms and waste containers are provided in each housing area. The YMCA reserves the right to charge a clean-up fee if the buildings, grounds, and/or trails are littered.

Cooperation: We request...

1. All paperwork (buddy lists, health forms, liability waiver forms) must be submitted two weeks prior to your scheduled visit.
2. All groups must have at least one vehicle on site throughout the week in case of emergency. It is the responsibility of the school to transport sick or injured students if parent pick-up is not possible.
3. No smoking in any buildings. Smoking is permitted only in designated areas.
4. No alcoholic beverages may be brought on the grounds or used during your stay unless previously noted in writing by YMCA Management.
5. No drugs or drug paraphernalia may be brought on the grounds unless prescribed by a licensed physician.
6. With the exception of Guide Dogs, no pets may be brought to camp.
7. No hot plates, coffee pots, or other small kitchen appliances may be used in cabins due to fire hazard.

9. All federal, state, and county laws will be enforced. The camp is not responsible in case of deviation from the laws by clients.
10. Observe camp boundaries and the right of privacy of our neighbors.
11. Quiet time in camp is from 10:00 p.m. until 8:00 a.m. Failure to comply with this ordinance (Santa Cruz County Ord. 4001) will result in a \$200 fine per neighbor complaint and \$500 for each police visit.
12. Vehicles must be parked in designated parking areas. Do not drive into the cabin areas. The speed limit in camp is 5 mph. Do not block fire lanes.
13. Passengers may not be transported in any vehicle not intended to carry passengers. All passengers must wear seatbelts.
14. No firearms, ammunition, explosives, poisons, hand or power tools may be brought to camp.

Housing and Meeting Areas: Assignments of housing, meeting, and dining facilities will be specified by Camp Management prior to your arrival. Unless otherwise agreed, Camp Management will hold the number of the bed spaces and sections of camp for the number guaranteed. The group agrees to comply with the maximum capacities of each assigned housing unit. For small groups, Camp Management reserves the right to schedule other compatible users to that section.
