2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Bagby Elementary is an award winning school that values academic excellence and embraces the whole child by supporting social and emotional development, celebrating diversity, and instilling not only the joy of learning, but also the exploration of talents through art and music. Bagby Elementary School serves approximately 501 students in grades TK - 5. Our safe, warm learning environment is evident as one enters the beautifully landscaped campus. We enjoy being the home to numerous programs, whose students and staff, add to the diversity of and are an integral part of our school community. Our students are encouraged to be Upstanders and are given opportunities to be responsible, respectful and safe citizens and to "Choose Kind." 21st century skills drive our instructional practices to provide students opportunities to grow and become critical thinkers, collaborative teammates, and creative problem solvers. Bagby Elementary School fosters a growth mindset in each student to believe that mistakes are essential and an opportunity to learn. It is our goal to prepare students for their academic future and to become engaged, caring members of society.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The school is situated on about 10 acres, with an average classroom size of 960 square feet. The school has a separate staff room with adult restrooms and kitchenette facilities. Play areas have been replaced and upgraded to code over the past years at our school site. Previous bond measures passed with overwhelming community support, the first providing funds for enrichment programs and the second funding a multimillion-dollar facility update.

These upgrades have included electrical upgrades, air conditioning, painting, and refurbishing the bathrooms. All classrooms were refurbished and updated with new flooring, cabinetry, teaching surfaces and an expanded student services area. Our facilities are monitored on a constant basis by the principal and district office staff. In 2015, new perimeter fencing was installed. Solar arrays were added in 2015 to meet 85% of the school's electrical needs. The main playground was updated in 2015 to enhance the play experience.

Safety and health concerns are a top priority. Our beautifully remodeled school enjoys a park-like campus, with large grassy areas, towering trees, and safe playgrounds. Our Community Garden is being regrown with the support of our Home & School Club. Bagby continues to partner with Our City Forest to plant more trees on and around campus. Further building and infrastructure upgrades, replacement of some portable classrooms, and additional expenditures will continue during the summer of 2024, under Measure R modernization.

Cambrian is extremely proud of the technology infrastructure. There is one iPad or Chromebook for nearly every student and available in classrooms. Computers are networked and linked to the internet. There is a district-wide technology specialist available to the schools and additional support from teacher representatives at each site who assist fellow teachers with any problems or questions that might occur. The district-wide technology plan is in place and continues to be updated to enhance computer use in the learning process.

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			Summer 2022 Measure R modernization projects completed. Replaced gas lines and classroom HVAC systems. Additional HVAC replacements in common areas on track to commence summer 2023. Centralized control of all site HVAC systems is expected by end of summer 2024
Interior: Interior Surfaces	X			As part of the Measure R funded HVAC upgrades, new counter tops, wall cabinets and floor cabinets have been installed throughout the sites. New sinks & faucets will be installed summer 2024
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			We have implemented new cleaning schedules, methods and documentation. All custodial staff participate in ENVIROX computer and live training courses. Department holds monthly safety training & regular email communication is used to keep staff up to date on any issues. We have implemented our centralized supply ordering system. Any pest/vermin sightings are immediately reported to District Office, addressed by Clark Pest Control, and documented. Grounds staff maintain trees 5' away from building roofs/walls & shrub branches 2' off of soil & 2' away from building walls.

School Facility Conditions and Planned Improvements

Electrical			<p>X Most subpanels and classroom wiring scheduled for evaluation leading to replacement/upgrading as necessary, Solar system requires evaluation leading to possible further additional installations to offset increasing energy costs; many due to new regulations and regional climate challenges. Measure R funding will be used to increase energy efficiency at each site. Elimination of fluorescent lighting in all interior and exterior areas, dimming switches, motion sensor lighting, and centralized lighting controls for each site are currently in process and scheduled to be completed June, 2024, as part of Measure R.</p>
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X		<p>All toilets/sinks have been placed on a preventative maintenance schedule, whereby seals are regularly replaced to avoid leaking toilets/faucets. Further ADA upgrades completed through Measure R. Future upgrades including increasing the number of touchless toilets/faucets are scheduled to begin summer of 2024, Ongoing replacement of older backflow preventers and standardizing all fixtures.</p>
Safety: Fire Safety, Hazardous Materials	X		<p>Fire safety has been vastly improved as part of the Measure R. funded upgrades. Voice command upgrades have been installed in all five sites lacking voice command features. All District properties recently passed annual Fire Marshall inspections. All combustible fuel is stored in fireproof cabinets. The District will begin properly disposing of old paint by turning it in to a certified paint collection center during summer of 2024.</p>
Structural: Structural Damage, Roofs	X		<p>There exist no known structural damages. Roofs are in overall good shape with few minor leaks. Substantial roofing replacement will possibly need to occur over the next three to five years.</p>
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X		<p>Beginning summer of 2024, Measure R funding will provide upgraded field irrigation monitoring systems for early leak detection, moisture sensors for automatic pre and post rain shutoff of sprinklers, and the placement of the most water efficient sprinkler heads. There is an ongoing effort to eliminate unused lawn space at each site. In April 2023, the District replaced most gas powered grounds and custodial equipment with battery operated equipment. In this effort, the District contracted with American Green Zone Alliance (AGZA) for an independent assessment of the District's environmental impact with regards to gas powered grounds and custodial equipment, prior to switching over to battery powered grounds and custodial hand tools.</p> <p>Many playground repairs have been completed to ensure the safety of all site playgrounds, and playground inspections are ongoing. Playground upgrade designs have been completed by Northern California Play Works and District staff. All designs include ADA playground upgrades; pour-in-place (PIP) surfaces and ADA play features. District staff is planning the commencement of these new playground upgrades at all sites as soon as the feasible elements</p>

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Families are welcome everyday to be part of the school through multiple volunteer opportunities. Bagby's parent volunteers and our Home and School Club share the commitment to high academic expectations and the overall development of every child. Our parent community is highly organized and operates much like an extended family to support the social, emotional and physical domains for all students. Parents are well acquainted with the rigor of our curriculum and work to provide and plan enrichment opportunities for all students. The Home and School Club has helped to fund assemblies, field trip experiences, access to visual and performing arts as well as standards based enrichment opportunities in collaboration with school staff. The Bagby Home and School Club strives to provide families, students, and our community with occasions to come together for a variety of fun and educational activities including Halloween Fun Night, STEAM Fair, Ice Cream Social & Book Fair, Art Show, Field Day, and our Runathon and family dinner nights to name a few. Families have a variety of ways to help in our classes as classroom volunteers, Project Cornerstone ABC Readers, Makers Space guides, and Field Trip chaperones.

Bagby also has an active and engaged School Site Council and English Learner Advisory Committee with members who give input on the school's LCAP (Local Control Accountability Plan), initiatives and priorities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Bagby Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, Earthquake, and lockdown drills are conducted on a monthly basis throughout the school year. Monitoring of school grounds is performed by noon supervisors and assigned staff before, during, and after school. All visitors must sign in at the office, obtain a visitor's pass, and sign out upon leaving.

The Comprehensive School Safety Plan is developed and reviewed with participation from staff, the school site council and local law enforcement representatives at the beginning of every school year. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include the following: child abuse reporting procedures, disaster response procedures, procedures for safe ingress and egress from school. We constantly work to ensure the safety of our students and have established emergency procedures that we have developed with public safety agencies in the preparation, review, and annual adoption of school safety plans. We review suspension and expulsion policies and procedures; policy prohibiting discrimination, harassment, hate crimes, intimidation, and bullying aligned to district guidelines and procedures. All staff members complete annual child abuse reporting and harassment training along with school discipline policies and procedures.

We support:

- Building a sense of community and belonging where every child feels included and valued.
- Teaching children positive social skills and attitudes including resolving conflicts without physical aggression.
- Responding appropriately to emergencies and disasters to keep children safe.
- An environment that is free of physical and verbal harassment of any kind, including teasing and bullying.
- A focus on fostering a growth mindset and willing to take risks in learning.

The 23-24 Comprehensive Safety Plan was updated, reviewed, and approved at Bagby School Site Council and ELAC

Fiscal Year 2022-23 Types of Services Funded

District funding through the Local Control Funding Formula (LCFF), included a base grant, and a supplemental allocation. The Base Grant funded the services that are provided to all students, such as regular classroom teachers, custodians, office staff, electricity, music, PE, Library, and most of the basic operational costs. The supplemental allocations supported targeted services to students who may have been designated as low-income, English Learners, and/or Foster Youth.

State and federal funding also supported the following special programs districtwide.

- Title I, Part A: Basic Grant for High-Needs Students
- Title II, Part A: Improving Teacher Quality
- Title III, Part A: English Learner and Immigrant Programs
- Title IV, Part A: Student Support and Academic Enrichment

Professional Development

District-wide staff professional development is reflective of students, staff, school, and district's goals and needs. Professional learning activities are designed to engage teachers in learning and implementing best practices that benefit student learning in alignment with district goals. These opportunities for professional learning include the following:

- Release Grade level planning days for looking at data and best practices to support English Language Learners and struggling students.
- K-8 Articulation Days (Teacher Inservice Days)
- Adopted curriculum professional development
- District/Side/Grade Level Collaboration Time (Early Release Days)
- Professional Learning Communities (PLCs) multiple times during the 23-24 school to evaluate student progress and collaborate with grade-level teams, instructional specialists, and intervention teams on the next steps of support.

Staff development is designed in our primary areas of focus: Common Core shift, English Learner instruction, questioning for critical thinking, and mathematical understanding. Using CCSS assessments, professional development is aligned with district, school, and/or individual professional needs to ensure teachers have the adequate background, skills, and materials they need to support student learning. When new programs are introduced (e.g. math, science, or language arts), specific time is dedicated to staff development to ensure the even and effective implementation of the program.

This table displays the number of school days dedicated to staff development and continuous improvement.
